# Old-Fashioned One Day Bargain Jubilee

Out of a clear sky comes this important announcement to all Hammond and Lake county to join us in an old fashioned one day bargain jubilee. In itself it resembles an old time, spectacular bargain sale, particularly when it comes to prices. We've kept this event a secret for a long time to plan a big surprise for everyone. What a surprise it will be when you pick tomorrow evening's paper and read our advertisements. The news will be startling. Bargains! Bargains! We fear we have overloaded the word to much to emphasize the important economic meaning. But everything mentioned tomorrow is a real, old fashioned value, when price stoops to the thrifty shoppers for a day.

## Watch for the Three Pages of Old-Fashioned Bargains in Tuesday's Times

It will take three full pages in tomorrow's evening's paper to tell the story. Of course these pages will be crowded with remarkable one day economies like the days when "way back whenners" can remember when we called it bargain, IT WAS a bargain. But while prices are in keeping with the day, in no way does the quality of the merchandise deviate from
